Title of Research Proposal

Izaak Walton Killam Memorial Postdoctoral Fellowship Application Continued

1) Statement of Proposed Research Project: (one single-spaced typed page using a font size of 10 or greater--no exceptions will be made regarding the length)

State what you hope to accomplish during the period of the award. Note: This statement will be adjudicated by academics from a wide variety of fields that may not have expertise in your discipline

2) Statement of Research Experience (maximum two single-spaced typed pages using a font size of 10 or greater--no exceptions will be made regarding the length)

3) Attach a curriculum vitae. List refereed publications or conference proceedings, beginning with the most recent. List publications of which you are author or co-author that are published, in press, and/or accepted for publication in refereed journals. For papers in press, indicate the date of acceptance by the editor. Begin each entry on a new line and state the full authorship, the year, the title, the name and volume of the journal, and the first and last page numbers. The authorship should be identical to that of the original publication.

4) Letters of Appraisals (must have original or electronic signature)

Arrange for three Letters of Appraisals from persons familiar with your academic work to be sent to the chair of the department to which you are applying. Letters of Appraisal should contain a substantive evaluation of your ability and not be merely testimonials, as the fellowships are intended primarily for those who are seeking to establish themselves in their chosen field. **Additional letters of appraisals will not be provided to the Postdoc Committee**
